Dear Property Owner,

On December 6, 2007, the Austin City Council amended the City of Austin's Municipal Annexation Plan to include the Springwoods Non-MUD annexation area. According to Appraisal District records, your property is located within this proposed annexation area. A location map of the Springwoods Non-MUD annexation area is attached for your reference. If you believe that you have received this notice in error, please contact the Williamson Central Appraisal District (512) 930-3787 so that they may correct their records.

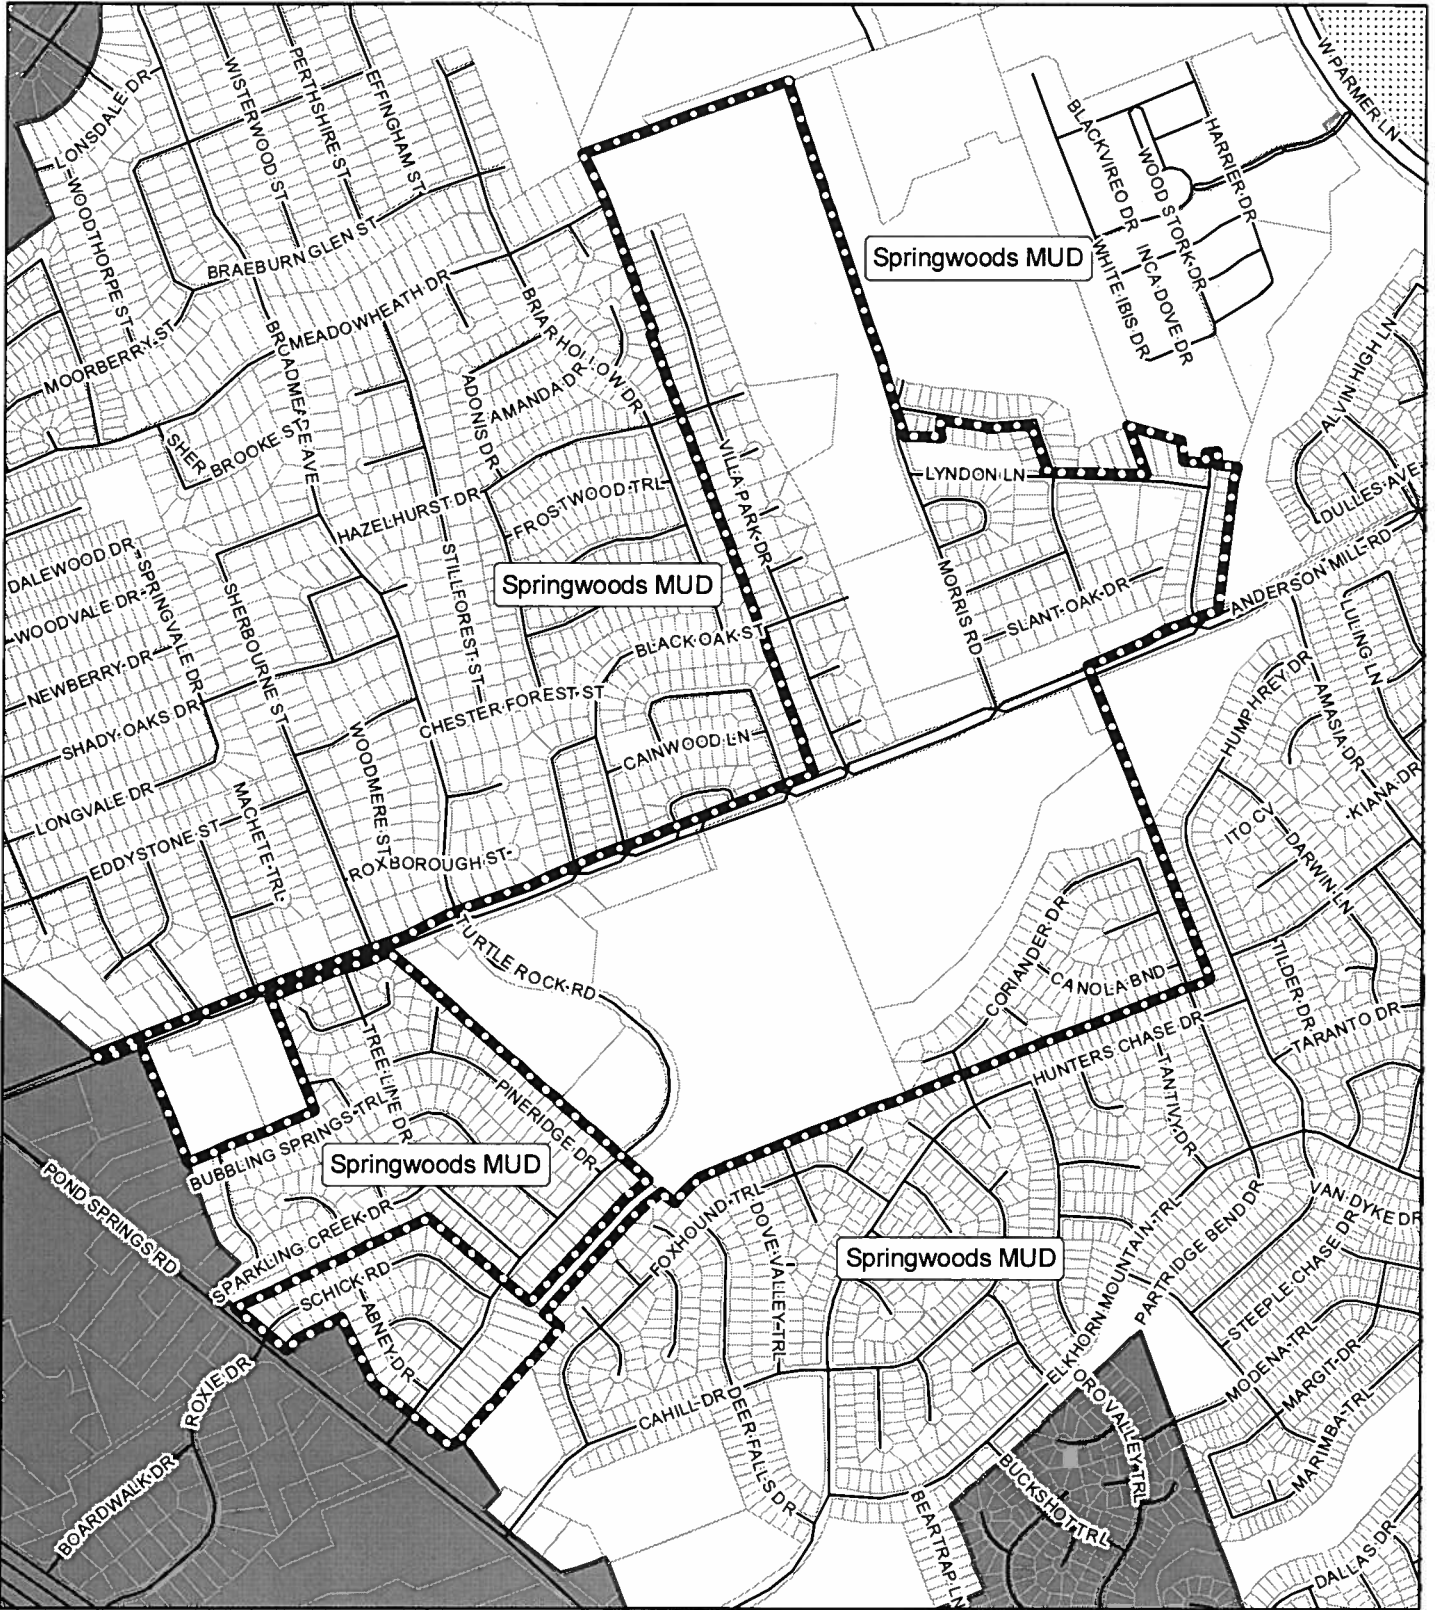

Being included in the City's Municipal Annexation Plan begins a three-year planning process that ends with annexation. For information regarding annexation and the annexation process, including a copy of the adopted three-year Municipal Annexation Plan as amended, please refer to the City's website at [www.ci.austin.tx.us/annexation](http://www.ci.austin.tx.us/annexation).

As part of the annexation planning process, City staff is preparing a comprehensive inventory of services. The inventory will be available for public inspection within the next several months. Within 90 days of the date the inventory is made available, the City of Austin will conduct public hearings to discuss the proposed annexation service plan. Notice of the dates and times of the public hearings will be mailed to property owners and published in the *Austin American-Statesman* and on the City's website listed above at least 10 days prior to the hearings.

If approved by the City Council, the annexation will be effective December 2010. If you have any questions regarding the proposed annexation or wish to receive additional information, you can reach me at (512) 974-2022 or by email at [Virginia.collier@ci.austin.tx.us](mailto:Virginia.collier@ci.austin.tx.us), or you may contact Jackie Chuter at (512) 974-2613 or by email at [Jackie.chuter@ci.austin.tx.us](mailto:Jackie.chuter@ci.austin.tx.us).

Sincerely,

Virginia Collier
